Temperas and Water Colors
by
ANDREW WYETH, 1917-
+

October 29th — November 17th
1945

MACBETH GALLERY
11 East 57th Street New York 22, N. Y.

Mood and drama actuate the works of Andrew Wyeth. The force, and sharp sensitive beauty of design, ornament them. Intimate knowledge built up over the years vitalizes them.

In this group of water colors and temperas we have the most recent records of the artist's reactions to southeastern Pennsylvania, his birthplace, and to a portion of northern coastal Maine, where, since boyhood, he has lived for a goodly part of each year.
