FOREWORD

Flower lovers have never failed to provide Mr. Blenner's work with a sympathetic audience. He paints with the authority of a full knowledge of his subjects, and with the artist's inherent sense in their selection and arrangement.

The canvases now shown for the first time have been brought to completion during the past year in Mr. Blenner's Westchester studio. They will appeal to all who love beauty, and many a home will be made a more pleasant place to live through their installation.

*The mantel used in this exhibition is generously loaned for the occasion by Mark Hafner,
172 East 75th Street, New York City.*
