MACBETH GALLERY

*Founded 1892 by William Macbeth*

15 EAST 57th STREET

NEW YORK

*Foreword*

Mr. Connaway is a very sound and virile painter who thoroughly understands and ably renders the sea and the mountains of northern Maine. He paints the mountains in late winter and the sea in gray and stormy weather and paints them with understanding.

Always progressing in his profession, he is one of the very promising young artists.

EMIL CARLSEN
