MRS. ADAMS' KITCHEN

"RURAL VERMONT"  
WATER COLORS  
BY  
SYLVIA WRIGHT

December 6 — December 24  
1943

MACBETH GALLERY

11 East 57th Street

New York 22, N. Y.

*Titles*

In this group of water colors Sylvia Wright has painted a fresh and direct record of her neighbors and their farms in the Mettowee Valley of Southern Vermont. The work covers a five year period and includes a summer at Martha's Vineyard.

There is realism and often humour in these paintings and a natural sense of sound design. They have a quality that is, at the same time, sophisticated and naive.
